

Garrett Street
London EC1

20

4,306 - 18,128 sq ft of architecturally designed office space

Exterior CGI

A WORKPLACE TO INSPIRE

20 Garrett Street is an exceptional refurbishment of a former warehouse building offering 4,306 - 18,128 sq ft of considered Grade A office accommodation and benefiting from terrace and courtyard areas.

The 1st 2nd & 3rd floors have been fully fitted to provide design-led, ready-to-go space. The Lower Ground and Ground floors provide new CAT A space ready for an occupier to make their own.

CELEBRATING THE INDUSTRIAL HERITAGE OF THE SITE

20 Garrett Street is a building with a rich industrial past, originally having formed part of the Galbraith Grant Distillery on neighbouring Whitecross Street.

When originally built in the 1920s it was known as Cransley Works factory, and housed Union Glue & Gelatine Co for many years. During WWII the building suffered damage but continued its industrial use through the 1950s and 1960s.

Today, the building has been meticulously redeveloped to complement and honour the history of the site but simultaneously offer first class office space for modern day occupiers.

A CONSIDERED NEW ARRIVAL

The arrival experience at 20 Garrett Street has undergone a complete transformation to provide a contemporary first impression of the building.

Attention to design detail has been given to a galvanised steel portal gate signifying and securing the entrance, behind which the contemporary reception provides a warm welcome to occupiers and visitors.

Reception

First floor

First floor

First floor

Ground floor

Second Floor

Third floor

A TRANQUIL TERRACE

Pockets of tranquil outdoor space have been thoughtfully imagined to offer space to recharge, collaborate and entertain clients.

NEXT LEVEL SPECIFICATION

CAT A or fully fitted options available

Architecturally designed former warehouse building

Exposed steel columns

New exposed air conditioning & air handling system

Modern suspended pendant lighting

High natural light levels

Efficient floorplates

Floor to ceiling glazing

Terrace on 3rd floor with views across the City

Newly landscaped courtyard at Lower Ground floor level

New WC & shower facilities

New bike facilities

SMART THINKING

The redevelopment of 20 Garrett Street has been extensively considered to complement the rich history of the site while offering a sustainable, forward-thinking and future-proof building.

Building re-use

Architecturally designed former warehouse building where features have been retained and optimised to minimise embodied carbon and building waste through construction.

Natural daylight

Original restored Crittall windows provide the building occupants with ample natural daylight.

Energy efficient lighting

Energy efficient lighting using occupant movement sensor technology to minimise energy.

Social interaction

A landscaped courtyard and 3rd floor city view terrace provide access to fresh air, touches with nature and enhanced social interaction.

Active commuting

New end of journey bike storage, and shower facilities provide enhanced user experience and promote physical activity.

Efficient floorplates

Bright open workspaces encourage productivity and aid occupier wellbeing.

Physical activity

Activated staircase designed to promote physical movement throughout the building.

Natural ventilation

Large openable Crittall windows providing building occupants with ample access to fresh air.

Biophilic design

Use of natural materials, textures and planting within social interaction spaces to provide touches with nature.

Zero carbon heat source

Building heat source is electrically fed, with no reliance on carbon intensive fossil fuels.

Anomaly London

ON THE MOVE

Within a short walk of major transport hubs, it's easy to get around whether by tube, rail, bike or foot.

The newly opened Elizabeth Line (Moorgate, Liverpool Street and Farringdon stations) has reduced travel times across London. And, with Farringdon East Crossrail entrance within a ten minute walk – the West End can now be reached in under 15 minutes.
